Life Chiropractic
College West

1-Day Program in Reno!

SATURDAY, MAY 7

Join **Daniel Murphy, D.C.** for this **POWERFUL, PRACTICAL, FAST-PACED, INFORMATIVE PROGRAM**
Packed into ONE FULL DAY!

For Program Details Go To
www.chiropractic.org

GET REGISTERED, GET INFORMED, GET AHEAD!

You'll Learn:

- Clinical impact of case management choices and goals
- Significance of specific factors that affect patient injury and healing
- Critical research findings on key issues and insights with injury prognosis
- The balance relationship between perception of pain, spinal joint mobility, adjustive technique, chiropractic diagnostics, & adjustment management goals
- Patient anti-inflammatory management issues with pain, brain trauma, & diet

Increase expertise and improve clinical outcomes through more thorough, confident case management and enhanced communication with patients and other professionals.
