DAN MURPHY TO REVIEW NEWEST TRENDS FROM THE BEST OF WHIPLASH LITERATURE AT ICA SEMINAR IN DANBURY, CT, DEC. 5-6, '09

Newest research applications analyzed by acclaimed lecturer Dan Murphy, D.C., will highlight the New Era in Whiplash and Spinal Trauma seminar to be presented in Danbury, CT, December 5-6, 2009.

The twelve-hour license renewal class is cosponsored by the International Chiropractors Association and Connecticut Chiropractic Council in cooperation with Life Chiropractic College West. Application for twelve hours of license-renewal credit has been submitted to state boards for approval.

Dr. Murphy poses his own question to introduce his weekend seminar – “What’s New from Dan Murphy?” he asks his audience. He then proceeds to answer his own question as follows:

“There is plenty new. Just consider:

“A new section on the frequency and duration of whiplash case management based on the past 50 years of research; an updated section on

- more -

nutritional anti-inflammatory management of joint and soft-tissue pain; new insight on the ‘fibrosis of repair’ as a consequence of injury healing and for establishing the need for the chiropractic adjustment; and a new review of studies on whiplash biomechanics and low-impact motor vehicle collision injuries.”

In addition to the updated literature review, Dr. Murphy presents an interactive section on the neurology of traumatic chronic spinal pain and how the chiropractic adjustment can help.

“The pace of the seminar was great,” said Robert M. Murphy, D.C. (no relation), of North Canton, Ohio, who attended. “The depth, clarity, and presentation of material was excellent and better than expected. The 400-page notepack with Dr. Murphy’s key notes was great and helps a lot.” He added that the notes and studies would be well received by his patients.

The Danbury seminar will be held at the Danbury Plaza Hotel and Conference Center, 18 Old Ridgebury Rd., Danbury, CT, telephone 203/830-5136. Seminar hours are 12 noon to 8 pm Saturday and 8 am to 12 noon Sunday. Registration and hotel information will be mailed to chiropractors. Registration fees are discounted for ICA, CCC, and CCA members.

To register or inquire call ICA at 800/423-4690.
