

Evidence-Based Chiropractic Care

presented by Dwight C. Whynot, D.C.

A 12-hour weekend seminar packed with VITAL information

- **Chicago – October 28-29** • Sheraton Gateway Suites, 6501 N. Mannheim Road, Rosemont, IL 60018 • 847-699-6300
- **Houston – November 18-19** • Sheraton North Houston, 15700 John F. Kennedy Boulevard, Houston, TX 77032 • 281-442-5100
- **Phoenix – December 16-17** • Crowne Plaza San Marcos Golf Resort, One San Marcos Place, Chandler, AZ 85225 • 480-812-0900

Hours: Saturday 1:00p.m. - 7:00p.m. • Sunday 8:00a.m. - 2:00p.m.

What you will learn:

- **ICD-9 and CPT Coding:** Physical medicine and rehabilitation codes; evaluation and management codes; diagnostic testing codes; accident codes; diagnosis codes. Will learn the proper use of each code and how to defend charges in a medico-legal setting. Definition and use of modifiers will be covered as well.
- **Documentation:** CMS -1500 form; Medicare documentation guidelines
- **Case Management:** Proper case management procedures based on evidence-based chiropractic care; how to determine up front how long it should take to get a patient back to as 100% normal function as possible; diagnostic tests to evaluate proper function of the tissues and treatment effectiveness.
- **Personal Injury Case Management:** Why the need for proper documentation? How to do impairment ratings, when they should be performed and the appropriate method; motion segment integrity loss, objective vs. subjective diagnostic testing, and determining a prognosis.

About the Speaker

Dr. Dwight Whynot is a successful private practitioner in Johnson City, Tennessee. A graduate of Logan College with a bachelor's degree from Dalhousie University, Nova Scotia, Dr. Whynot has presented before chiropractic and non-chiropractic groups with great success. He most recently spoke to a group of medical doctors at a symposium in St. Petersburg, Russia. He participated in the World Congress of Pain in Sydney in 2005 and was an invited luncheon speaker before top researchers of the world at the International Whiplash Trauma Congress in Portland, Oregon. Dr. Whynot's research paper has been accepted for presentation at the International Pain Congress in Glasgow, Scotland in 2008.
