

NATIONAL CONFERENCE ON THE FUTURE OF CHIROPRACTIC AND MEDICARE

THURSDAY, APRIL 24, 2008 IN WASHINGTON, DC
The Washington Court Hotel
525 New Jersey Avenue, NW Washington, DC

*Join in an historic forum on the nation's most daunting health care challenge.
Help educate policymakers on the unique contribution chiropractic can make to rescuing a program
on the brink of disaster and yet on which tens of millions of senior citizens and their families must depend.*

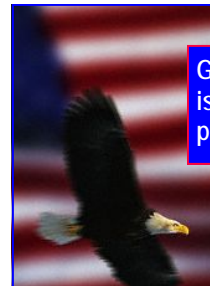

**This unique political action event
seeks to bring chiropractic together in a
practical, problem-solving
Medicare Forum:**

- Every Membership Organization and Every Individual Doctor of Chiropractic Welcome
- Extensive Briefing and Resource Materials on Key Aspects of Medicare Issues Provided
- Keynote Address by the Honorable Barbara Kennelley, President, *National Committee to Preserve Social Security and Medicare*
- Presentations by Key Congressional Leaders
- Presidential Political Campaign Representatives Speaking on Chiropractic and Medicare
- Expert Panel on Chiropractic's Practice Challenges in Medicare
- Analytical Panel on Chiropractic's Political Challenges in Medicare
- Special Think Tank Session on Coordinating a Collective Chiropractic Response to Medicare's Challenges

Combine collective problem-solving, advocacy activities, lobbying, and professional advancement in one productive day on Capitol Hill—

Meet directly with legislators, congressional staff, and policy makers

Gain perspective on legislative issues and insights on strategic planning and collective action—

Target priorities and set up solutions in health care policy —
