

Guarding the Sacred Trust

Time always has and always will perpetuate those methods which better serve mankind. Chiropractic is no exception to that rule. My illustrious father placed this trust in my keeping, to keep it pure and unsullied or defamed. I pass it on to you unstained, to protect as he would have you do.

As he passed on, so will I. We admonish you to keep this principle and practice unadulterated and unmixed. Humanity needed then what he gave us. You need now what we give you.

Out there in those great open spaces are multitudes seeking what you possess. The burdens are heavy; responsibilities are many; obligations are providential; but the satisfaction of traveling the populated highways and byways, relieving suffering, and adding millions of years to lives of millions of suffering people, will bring forth satisfaction and glories with greater blessings than you think.

Time is of the essence. May God flow from above-down his bounteous strengths, courage's and understanding to carry on; and may your innate's receive and act on that free flow of wisdom from above-down, inside-out...for you have in your possession a sacred trust. Guard it well.
